New Office in Rajahmundry, India

Jan – Feb 2010

We are sending our friends and TV listeners this update from the ministry. We would like to encourage you to become a part of this ministry. God has blessed us in being able to walk with Him, study, learn and put his word into our hearts. He has allowed us to walk in the fullness of the Holy Spirit and fulfill our lives in His will and ministry. Thousands of souls have been saved through this ministry, many have been healed and filled with the power of the Holy Spirit.

We have been able to make some changes this year in our offices in India and now have consolidated the two offices into one large office. Just this past week our India national president has brought many of our pastors together and moved and set our furniture into the new office in Rajahmundry, A. P. South India. This is the penthouse on 4th floor and has 3 bedrooms and 3 bathrooms. One of the bedrooms will be an office and then the A.P. office will be in one of the outer rooms. It has a wonderful view and is close to railroad so that our pastors will be able to access it easily.

We are starting our third year in the church that the Lord provided for us in Chipley, FL. Pray that the Lord will send more good leadership. We really thank you for your continued prayers for us and as you send your support we will continue to serve the Lord by ministering to others.

In December the Lord spoke to Pastor Shirley to help the children in Haiti and we sent our first \$100.00 to them to help feed children and families. Then as you know the earthquake hit in Jan, and the Lord allowed us to send another \$100.00 to them.

We also support the work in Nepal through our local Someone To Care Church. You can see this by going to the web site and clicking on Nepal. Pastor D. K. Daniel invited Pastor Shirley to teach the pastors and leaders in E. Damak Nepal back in 1995. Since then these pastors have done great things in Nepal and they have planted many churches. They are asking her to come back and said that all of these pastors will be in attendance if she comes.

Please be assured that we use the finances to help the hurting, feed the hungry, pay TV bills and other ministry expenses. Here in our local area we were able to serve a number of families with food and turkeys for Thanksgiving and then again for Christmas. Pastor Shirley does not take any pay although it would be a good thing if she could, but we believe that your finances should go to those that really need it. She said that her needs are only to fulfill the ministry.

We do our best to Go into all the world and preach the Gospel.

God Bless You
